Ashdown Splashdown!

On a Mission From God

On Sunday, July 26, we traveled to the home of Jeanne and Reg Jackson for swimming, grilling, four-wheeling, and fun! There were 20 youth and adults in fellowship. We enjoyed hamburgers, hot dogs, nachos, and homemade ice cream. Many thanks to Reg, Jeanne, and Brett

Summer '09 was a really good time! Looking forward to a faith-filled fall!

We had a fun and exciting summer filled with LOTS of activities and fellowship! Our Rose Hill Cemetery Veterans Mission Project, VBS staffing and support, and food drive for the local animal shelter were huge successes thanks to your faithful participation.

I look forward to getting back into some serious Bible study this fall. We are going to pick back up with our study of the seven "I am" Statements of John, and also talk about discernment when making decisions at school and with your friends. School is stressful, for many reasons, and my prayer is that you will let your youth group leaders and fellow members, offer you the love, strength, and support you need. One of the many benefits of worship within a community of believers is your built-in support system. God is good all the time. All the time, God is good!
