

Dear Parents,

The First Presbyterian Pre-School and Day Care desires to expand its outreach to families and children in the Texarkana community.

We are dedicated to providing quality care in a loving and educational environment.

Your children are very important to us at our facility. We want children to have wonderful and happy experiences while in our care.

We will strive to provide a safe, secure, and aggressive learning environment, so they can develop socially, mentally, and spiritually, in their own special ways.

If you have any questions, concerns or suggestions, please feel free to contact the Program Director at 870-773-2121.

Purpose and Mission

The mission and business purpose of FPBS shall be to provide a Christian environment in which faith can be integrated with learning for the students and children enrolled in its program and such other activities as may promote the health and well being of children of the community. FPBS will provide children with a loving, encouraging and challenging environment where they can grow to achieve their fullest potential, to love others as themselves, and to grow in wisdom, knowledge and skill in order that they may serve God with the virtue, character and obedience of Christ in all areas of life. In carrying out its mission and purpose, FPBS assumes that:

- Every student is an individual created in the image of God, with individual responsibilities in this life and individual hope for life to come.
- Each student should have the opportunity to develop to his/her fullest potential in all areas of learning at the rate that is best suited to his/her abilities.
- The teachings of Christ are essential to the development of the whole person, and that individuals in every station of life are better qualified to serve meaningfully if they are truly Christian in their thoughts and actions.
- Christian education is of inestimable value and should be made available to all.
